The Daily Novelist.
 "SNIZZLES" called the city
 editor abruptly. (Right
 away this is going to
 be a newspaper story.)
 The cub reporter, Antonio Sniz-
 zles, approached his chief's desk
 fearfully.
 "We gotta have a first-page story,"
 said the city editor. "I don't care
 what, but I gotta have it. Go out
 and if you don't get it, stay out."

Three hours later Sniz-
 zles hurried into the city editor's desk
 with such enthusiastic violence as
 to make that busy official drop his
 blue pencil into the glue pot and
 swallow half a yard of copy which
 he was holding in his mouth while
 waiting for the copy boy.

"I got it! I got it!" shouted
 Sniz-
 zles. "Triple murder on Snob-
 fat avenue! President of the
 School for Battered Salesmen
 kills his wife, his butler and his
 St. Bernard! I got the cause and
 effect and everything!"

"Forget it," snarled the city
 editor, who hadn't got the copy as
 per all the way down yet. "The
 public's tired of murders. Is that
 all you got?"

"Well," said Sniz-
 zles, rather crestfallen, "I passed Mrs. Highly
 Boodle-Hyphen's house—she's giving
 a big dance tonight, you know
 —just in time to see her throw out
 three couples for doing the one-
 step whirl. But I don't suppose"
 "Two and a half columns!"
 boomed the city editor. "This is a
 great day for the Dispatch! Hey,
 copy! Extra! Wow!"

CAR ROBBERS HAD PREFERENCE FOR YELLOW STONE

Men Who Were Caught Robbing
 Santa Fe Cars at Neming and in
 Grant County Held Under \$1,000
 bond.

Special Officer Geo. H. Thomas
 has returned from Grant county
 where he appeared against three
 men, D. R. Roberts, J. W. Eward and
 J. M. McCards, charged with rob-
 bing freight cars. McCards was
 dismissed but the two others were
 held in \$1,000 bond for the grand
 jury. The men were found with
 several quarts of Yellowstone whis-
 key and several bottles of beer which
 they had stole from freight cars.
 They also were shown to have stolen
 Yellowstone whiskey, provisions and
 beer from cars at Denning.

GIRLS! THICKEN AND BEAUTIFY YOUR HAIR

Bring back its gloss, lustre, charm
 and get rid of dandruff—Try the
 moist cloth.

To be possessed of a head of heavy,
 beautiful hair; soft, lustrous, fluffy,
 wavy and free from dandruff is never
 a matter of using a little Danderine.
 It is easy and inexpensive to have
 nice, soft hair and lots of it. Just
 get a 25-cent bottle of Knowlton's
 Danderine now—all drug stores rec-
 ommend it—apply a little as directed
 and within ten minutes there will be
 an appearance of abundance; fresh-
 ness, softness and an incomparable
 gloss and lustre, and try as you will
 you cannot find a trace of dandruff
 or falling hair; but your real surprise
 will be after about two weeks' use,
 when you will see new hair—fine and
 down at first—yes—but really new
 hair—sprouting out all over your
 scalp—Danderine is, we believe, the
 only sure hair grower; destroyer of
 dandruff and cure for itchy scalp,
 and it never fails to stop falling hair
 at once.

If you want to prove how pretty
 and soft your hair really is, moisten
 a cloth with a little Danderine and
 carefully draw it through your hair—
 taking one small strand at a time.
 Your hair will be soft, glossy and
 beautiful in just a few moments—a
 delightful surprise awaits everyone
 who tries this.

HUNDRED AND FOUR DEATHS RECORDED WITHIN 4 MONTHS

County Clerk's Record Shows Decid-
 ed Increase in Official Death Rate
 Since Grand Jury Acted.

The official death record of Ber-
 nardino county, as kept in the county
 clerk's office, needs some explaining.
 In order that Albuquerque's mar-
 vellously low official death rate for
 years past may be maintained.

Up to the time of the last grand
 jury, when the jury returned true
 bills against a large number of phy-
 sicians for failure to make death cer-
 tificates and record them with the
 clerk, officially this county had but
 two hundred and one deaths in six
 years.

Since the grand jury's activity, one
 hundred and four deaths have been
 recorded within four months, or
 since the first of October last. Fol-
 lowing the grand jury's report, the
 physicians filed from their private
 records a mass of death certificates,
 which have not yet been spread upon
 the clerk's records, but which are
 being recorded as rapidly as possi-
 ble.

Even with the present observance
 of the recording law, the official
 death showing is a very low rate in
 proportion to the population of the
 county.

BREAD AND THE BOY

"THE KIND OF BREAD I EAT."

are powerful friends. Every healthy
 boy likes plenty of good, nourishing
 bread, and it is the best thing he can
 eat—best for his stomach, his blood,
 bone and brain. For children grow
 strong eating our matchless bread,
 which is made of the best flour, spe-
 cially milled so as to retain all the best
 nutrients of the wheat. No higher
 than poorer bread.

PIONEER BAKERY

DOESN'T IT AGGRAVATE YOU

When you have only one pair of
 glasses, which you need constantly,
 to have a mishap and break a lens, and
 then have to worry about without
 glasses until the broken lens can be
 replaced?

And it seems that such exasperating
 accidents have a habit of happening
 just at the most inopportune times—
 when one is out-of-town, picnicking,
 shooting—in fact any time when it
 is inconvenient.

AN EXTRA PAIR on hand for
 emergencies immensely reduces exas-
 peration, conserves the eyes, and
 instead of just evaporating for want
 of strong enough language to
 express your chagrin, you can put
 yourself on the back with a cheerful
 grin—and put on the other pair.

WE CAN DUPLICATE ANY LENS
 FROM THE ORIGINAL WITHOUT
 PRESCRIPTION, or a broken lens, if
 you have the pieces.
